

New Clinic Main Entrance

During the construction of our Cancer Center we have a new temporary main entrance to the Billings Clinic on North 29th Street, just north of 8th Avenue North. (The main entrance on 8th Ave. N. is now closed.) Free valet parking is available at the new location. Our SameDay Care entrance on 8th Ave. N. and the two Billings Clinic entrances on 9th Ave. N. remain open. We apologize for any inconvenience.
