

Surrounded by majestic mountains, Powell is a friendly town with a great community college located near Yellowstone National Park. Awesome outdoor recreation – hiking, fishing, hunting, snow sports and camping – only minutes from home. New schools, affordable housing, low taxes (no state income tax). Regional shopping and an international airport are within 1.5 hours' drive. This is your chance to make a difference in general surgery. Enjoy four seasons with 330 days of sunshine!

# General Surgery
