Financial assistance is available.

You may be eligible for financial assistance.

If you can't afford your medical bills, we can give you a form to apply for our financial assistance program. We can help you with the application and your personal information will be kept confidential.

Billings Clinic's financial assistance program has clear guidelines to determine who qualifies for free or reduced charge services. The amount of financial assistance is different for each person or family, depending on your financial circumstances.

We can also help you enroll for public assistance programs, such as Medicaid, Medicare, Veterans Administration, Disability, Crime Victims and Healthy Montana Kids (HMK).

Please contact one of Billings Clinic's patient financial representatives by phone or visit one of our offices.

Locations of Patient Financial Services Offices

Billings Clinic Downtown

Enter Billings Clinic through the SameDay Care entrance at the corner of 8th Ave. North and North 28th Street. When you have passed through both sets of entrance doors, turn right at the first door on the right.

Billings Clinic Hospital

The Hospital Patient Financial Services office is located in the Hospital Atrium. Please enter from the North or the South Atrium entrances. An information desk volunteer in either entryway can assist you.
