

Help fill the "Piggy Bank"

For every **online gift of \$20** or more to Billings Clinic Kids through March, donors are entered to **win a trip to Mexico!***

Scan the QR code to donate and enter.

"Pediatric patients and families with complex medical and social needs depend on Billings Clinic pediatricians and pediatric specialists working together to address concerns and improve their health. Through community support of Billings Clinic Kids, families can focus on their kids' care when they need it the most."

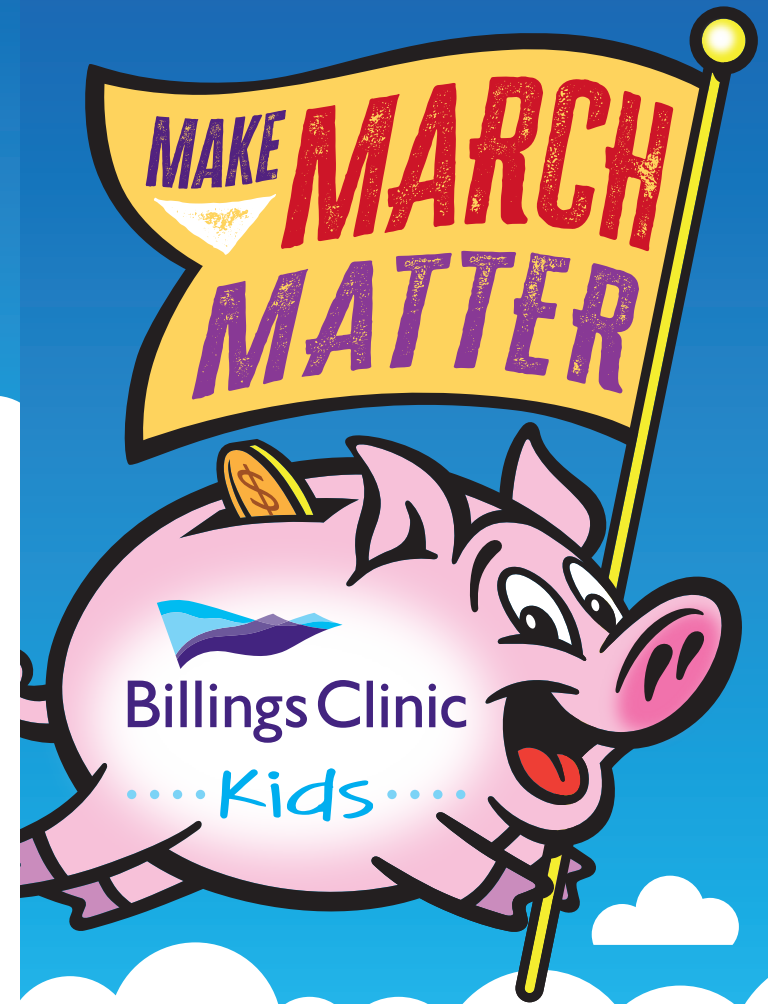

Patricia Notario, MD, FAAP
General Pediatrics and Complex Care Medicine

Pediatric Patient Assistance Fund

Billings Clinic Kids helps families with costs associated with the diagnosis of pediatric illness or disease.

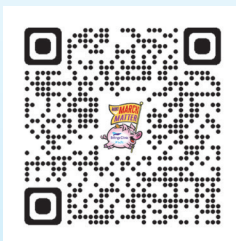

The Foundation gives out these funds everyday to help families with:

- Utility bills
- Travel costs
- Grocery assistance
- Rent
- Medical equipment
- Other financial needs

Help us reach our fundraising goal of \$50,000 throughout the month of March:

- Donate your change at designated elementary schools and businesses
- Send a check designated to Billings Clinic Kids
- Donate online!

*For every online donation of \$20 or more to Billings Clinic Kids, your name will be entered to win a 7-night stay at Pueblo Bonito Rose in Mexico!**

*This promotion is valid for online donations of \$20+ made with a debit card linked to a Montana address. Credit cards are accepted for donations but not for entry into the drawing. The prize is a 7-night stay at Pueblo Bonito Rose for two (airfare not included). Terms may change without notice; full details are at billingsclinic.com/piggybank.

Billings Clinic Pediatric Specialty Services

Billings Clinic has the largest Pediatric Specialty Services Department in the region including:

Billings Clinic Kids, in collaboration with Children's Hospital Colorado, provides expert, compassionate care for kids of all ages, including the region's only Pediatric Complex Care Program and the Lighthouse Foster Clinic for children in the foster system. Together, we bring top-ranked pediatric expertise and exceptional outcomes to communities across Eastern Montana.
