

## Emergency Medicine Opportunity

*Riverton, Wyoming*

Would you like to live and work in a friendly western community, surrounded by scenic views of mountain ranges and rivers?

**You can make a difference here.**

Seeking BE/BC **Emergency Medicine** physicians and/or **experienced Family Medicine** physicians to practice in Riverton, Wyoming, as an employee of Billings Clinic, the largest independent health system in Montana and Wyoming. Our new hospital is an independent, locally owned and governed nonprofit organization bringing local medical services back to the community.

- **Emergency Medicine** training or **Family Medicine** with emergency experience
- **Generous** compensation package, excellent benefits, relocation allowance and starting bonus
- A full complement of **onsite imaging and lab** services
- New, **state-of-the-art hospital** opening in late 2026
- PPS rural hospital with **integrated** emergency, hospital and clinic with support of Billings Clinic specialists
- **Variety** of cases with adults and children
- Work directly with our **Regional Operations Center** and **Level I Trauma Center** in Billings
- **Local EMS and aeromedical transport** (rotor- and fixed-wing)
- **Flexible** schedule
- Welcomes physician involvement in operations & leadership
- 501c3 not-for-profit organization
- Practice **compassionate medicine** in a rural setting, where you'll care for friends and neighbors

### *Family Medicine in the Rocky Mountains*

**Riverton is a top destination** for outdoor recreation with exciting adventures just a day trip away: camping, mountain biking, hiking, climbing, fishing, hunting, and snow sports. Amenities include a regional airport and a community college with great education, cultural events and the arts in this welcoming community.
