

# Billings Clinic - COVID Chat

We're here to help you navigate COVID-related care, testing, vaccines, and more.

## It's Easy to Get Started

To begin a Billings Clinic COVID Chat,

Text **COVID** to **47225** or **Scan this QR code:**

## Find Out Where to Go, Fast

Tell us what you're looking for, and the automated chat will take it from there.

Use the chat to:

- **Check Symptoms**
- **Find COVID-Related Care**
- **Get Tested for COVID**
- **Follow Up on Test Results**
- **Get Vaccinated**
- **Find Information**

## Keep Yourself, Your Family, and Montana Safe

Start a chat 24/7 to find the care, information, and resources you and your family need.

Thank you for choosing Billings Clinic for your health care needs. Your health and safety is our priority. We are proud to serve you and communities across the region.
