

Physician-Led Medicine in the Rocky Mountains

You can make a difference here, living and working in Big Sky Country. Billings Clinic is Montana's largest independent health system, a Mayo Clinic Care Network member and Magnet® designated for nursing excellence.

Our Montana and Wyoming locations offer friendly communities and adventures from sparkling rivers to rugged mountains. Exceptional outdoor recreation – from hiking to skiing – is in your backyard.

Four seasons of sunshine!

Family Medicine in West Yellowstone

Live and work at the western gateway to Yellowstone National Park!

Join our Family Medicine team at the wonderful west entrance to Yellowstone, where world-class hiking, snowmobiling, Nordic skiing and blue-ribbon trout fishing are minutes away. We are seeking an experienced **BE/BC Family Medicine physician** for this rare opportunity to practice in historic West Yellowstone.

Loan repayment and relocation assistance available

- Comprehensive outpatient rural Family Medicine (primary care, same-day care, pregnancy care, no OB)
- Leadership opportunity to build quality comprehensive primary care in collaboration with community
- Vital rural support includes aeromedical transport and access to 80+ subspecialties
- On-site radiology and full lab access
- Work with colleagues at our multispecialty clinic/ASC in Bozeman and tertiary referral center plus Level II Trauma Center in Billings
- Invest in a community where patients are friends & neighbors

You can make a difference here. Surrounded by majestic mountains and wildlife, West Yellowstone is a small town with a big heart next to the Madison River and Hebgen Lake. You'll live south of Bozeman, a fast-growing small city with regional shopping, entertainment, diverse dining, university and an international airport. This is your chance to live the mountain town dream in Big Sky Country!
