Insurance Plans and Networks for which Billings Clinic is OUT OF NETWORK or is NOT A TOP TIER PROVIDER

You will usually owe a higher amount and may be asked to pay at the time of service. Patients may be balance-billed the difference between 100% of billed charges and the amount insurance pays, unless protected by the No Surprises Act or other regulations. Billings Clinic's participation in specific insurance plans and networks changes frequently. **This list may not be all-inclusive.** Before purchasing an insurance plan, and prior to receiving services at Billings Clinic, please inquire directly with your employer or insurance plan to ensure that your specific provider, clinic, hospital, and facility are indeed considered participating providers and that the services will be covered.
