## Meds-to-Beds

Delivering your discharge prescriptions to your room before you leave the hospital

## What is Meds-to-Beds

Meds-to-Beds is a bedside service offered at Billings Clinic to enhance the patient's discharge process. The Atrium Pharmacy staff will deliver discharge prescriptions directly to the patient prior to leaving the hospital room at no additional cost. Designed with our patients' health in mind, this program conveniently eliminates the need for a stop at the pharmacy on the way home. The pharmacist will process your prescriptions and discuss your medications with you prior to your discharge.

## Frequently asked questions

### ***Can my prescription costs be added to my hospital bill?***

Prescriptions filled by the Meds-to-Beds program are considered an outpatient pharmacy service and can not be added to your hospital inpatient bill. We are able to collect your copay when services are rendered.

### ***Do you accept my prescription insurance plan?***

We accept a majority of prescription insurance plans and directly bill your prescription to your insurance provider. You are responsible for any copay required by your insurance carrier when services are rendered.

### ***What types of payment do you accept for prescriptions?***

The Meds-to-Beds program accepts personal checks, debit cards, and credit cards. Payroll deduction is available for employees. Unfortunately, we are unable to accept cash at this time.

**Patients have the right to choose any pharmacy for their prescription services. Meds-to-Beds provides a convenient service to both the patient and the family unit. The patient is able to travel uninterrupted to their home to continue the healing process in a familiar environment.**

**Any hometown pharmacy can call the Atrium Pharmacy at (406) 238-2084 and request a transfer for further refills.**

### ***What if I forget to bring my prescription insurance card to the hospital?***

The Atrium Pharmacy will gladly call your current pharmacy and retrieve your insurance information.

### ***How will I be notified when my prescription(s) is ready?***

Once your prescription is filled during business hours, a staff member will deliver it to your bedside and a pharmacist will counsel you on the medication. After business hours, you may pick up your prescription at the Atrium Pharmacy.

### ***How do I request to have my discharge prescriptions filled here?***

Let your nurse or doctor know you would like the Billings Clinic Atrium Pharmacy to fill your prescriptions. We will take care of the rest.

### ***Where is the Billings Clinic Atrium Pharmacy located?***

The Billing Clinic Atrium Pharmacy is located on the first floor of the Billings Clinic Hospital in the south atrium.
