

Glendive Medical Center

Glendive Medical Center is an affiliate of Billings Clinic, the largest and most comprehensive health system in Montana.

Glendive Medical Center is seeking a BE/BC Family Medicine provider to join their multispecialty group. Live and work in Montana with access to year-round outdoor activities while practicing in a family-friendly community!

The Opportunity:

- Outpatient Monday-Friday Schedule - No nights and No weekends except for limited scheduled inpatient newborn call
- Guaranteed Base Salary + Bonus incentives with potential to earn up to 320K
- 150K Student Loan Repayment program
- Sign-on Bonus Available
- Move-in ready housing available across from the hospital
- Comprehensive benefits package with 6 weeks of paid vacation
- Medical Directorship of a Nursing Home is available
- Candidates with 2022 availability timelines are welcome to apply

The Community:

- Located near Montana's badlands and Mikoshika State Park with immediate access to beautiful hike/bike trails, camp sites, rock climbing, boating, snowmobiling, and cross-country skiing
- Live in wide-open spaces in a friendly community with safe neighborhoods and great schools
- Have a lucrative career in beautiful Montana where your dollar will go further - housing is 53% cheaper than in Bozeman, according to BestPlaces.net
- The nation's longest untamed river flows through the middle of town, which is a source of recreation, agate hunting and fishing
- Learn more at visitmt.com and gmc.org
